ABOUT ME

I am a passionate and dedicated IT professional with a Bachelor's degree in Computer Science. Driven by an insatiable curiosity in technology, I am always eager to learn and explore new innovations. I enjoy taking on challenging projects that allow me to apply my knowledge and contribute to meaningful solutions. My goal is to continuously grow my expertise and make a significant impact in the tech industry.

WORK EXPERIENCE

○ Mar 2023- Present
Philippine EDS Techno-Service Inc. | Iloilo City, Philippines
Junior Technical Support Analyst

I configure and maintain network systems, monitor performance, and troubleshoot issues. I implement network security measures and manage user accounts and group policies in Active Directory. Additionally, I provide technical support, resolve hardware and software issues, perform system maintenance, and assist with software updates.

○ 2022 - 2023
WNS | Iloilo City, Philippines
Customer Service Representative

As a Customer Service Representative for a travel account, I assist customers with booking flights, hotels, and vacation packages. I handle inquiries related to travel itineraries, cancellations, and changes. I provide support for travel-related issues, including baggage concerns and accommodation problems.

○ 2020 - 2020
Transcom | Iloilo City, Philippines
Technical Support Representative

I handle technical support and billing inquiries. I assist customers with troubleshooting issues related to internet, cable, and phone services. I address and resolve technical problems, including connectivity and equipment malfunctions. Additionally, I manage billing inquiries, process payments, and address discrepancies.
